Mr. Chief Secretary's confdl. No.

14 Information having accordingly been sought for through the Residency, the Post Master Genl states that if tolls are levied on mail tongas, the mail contractor Mr. Pallonjee who conveys mails between Mysore and Mercara will in all probability either require an additional subsidy from Govt or relinquish the contract, 12, that the measure would also have the effect of keeping back other persons who may otherwise be willing to convey mails in juttkas or tongas under contract with the Postal department, 13, that as the subsidy usually given does not much exceed the cost of the existing runners establishment, it has always been a matter of great difficulty to get contractors

for

for the conveyance of mails in localities where they have to pay tolls, and ~~that~~ accordingly he is addressing the Govt of Madras in view to these contractors being exempted from paying tolls. He further adds that the Govt of Bombay have in their Notn no 82 of the 7th June of P.W.D. exempted all vehicles and animals employed on H.M's mail service whether actually carrying mails or not from paying tolls, and that the same procedure is reported to be in force in Bengal, Punjab and North West Provinces. ~~Under these circumstances he asks for a similar exemption in the Mysore Provinces.~~

I have the honor to inform you that upon the representation of the Postal Superintendant, I issued orders to the Deputy Amildar, Gedehalli, to pass jutkas carrying Her Majesty's mails free of cost through the Tadasa Toll gate; but he now reports that the jutkas carrying mails also carry passengers and asks for orders

Sir,

With reference to Government Order No. 7093-94 / L.F.254-92 of the 21st November 1900, I have the honor to state that the Intka owner Explains that as he is allowed by the Postal Department to carry passengers in the mail intka he is not liable to pay toll.

2. As regards the practice prevailing Elsewhere, I beg to forward for the information

of

of Government a copy of letter, No 126, of the 27th instant, received from the Superintendent of Post Offices, Shimoga Division, from which it will be observed that in British Territory the mail contractor enters into an agreement with the Local Fund Board and pays a fixed sum monthly.

3. I am of opinion that the practice obtaining in British Territory may with advantage be followed in Mysore. The reasons mentioned by the Jutka owner for not paying toll are not sufficient to grant an Exemption.

4. For the above reasons, I would recommend that

As I am in

portion of my letter No 276 of the 25th October 1900, the Jutka owner may be called upon to pay a monthly toll of Rs 10/-, which, I think, is very reasonable.

5. The Sadina bridge is constructed across the Nadra on the Karwar-Mangalore road, which is a Provincial Fund road, and, as such, the income from the toll-gate is credited to Provincial Funds. The Local Fund Board has nothing to do with it.

Dated Bangalore, 21st May 1901.

Sir,

I am directed to reply to your Secretary's letter No.9767-L.F.254-92 dated the 4th February 1901 asking for information as to the levy or otherwise of tolls on roads and bridges on jutkas and tongas in the Coorg Province and in the Madras Presidency.

2. In Coorg, which is actually carrying mails and exempt even of goods or passengers is the case cited in addition, and no distinction is drawn between Imperial and Local Fund roads in this respect.

3. In the Madras Presidency the practice is as described in the accompanying copy of letter No.760 L.Mis. dated the 10th May 1901 from the Secretary to the Government of Madras in the Local and Municipal Departments.

I have the honour to be,

For Assistant to the Resident.

Copy of letter No.760 L.Mis. dated the 11th May 1901, from the Secretary to the Government of Madras, Local and Municipal Department, to the Resident in Mysore.

In reply to your letter No.1017 dated 20th February last, requesting to be furnished with certain information as to the levy of tolls on roads and bridges, on jutkas and tongas in the Madras Presidency, I am directed to state that under section 87 (2) of the Madras Local Boards' Act V of 1884, no tolls are payable for the passage of "Government stores and equipages"----an expression which covers jutkas and tongas belonging to the Postal Department, and that as tolls are leviable on vehicles and animals and not on commodities, the vehicles of the Postal Department are exempt from tolls both on the canal and main roads alone on passengers and goods in addition. This section of the Madras Local Boards' Act has however been amended by Act VI of 1900 which came into force on 1st April 1901, and as the words "Government stores and equipages" have been omitted, jutkas and tongas carrying mails are no longer exempt from tolls. There is no distinction in this matter between roads on Local Boards roads and roads maintained by Government.

Copy of letter No.O.R.7-1/23742 dated the 14th August 1901, from the Post Master General, Madras, to the First Assistant to the Resident in Mysore.

With reference to your letter No.3706 dated 27th July 1901 enquiring if there is any objection to the levy of tolls on jutkas and tongas carrying mails in the Mysore Stat I have the honor to solicit a reference to correspondence ending with No.808/E.1, dated 29-5-95 from the Chief Commissioner of Coorg and to state that if tolls are levied on mail tongas, the mail contractor (Mr.Pallonjee) who conveys mails bet een Mysore and Mercara will in all probability either require an additional subsidy from Government or relinquish the contract. The measure would also have the effect of keeping back other persons who may otherwise be willing to convey mails in jutkas or tongas under contract with this department.

2. As the subsidy usually given does not much exceed the cost of the existing runner establishments, it has always been a matter of great difficulty to get contractors for the conveyance of mails in localities where they have to pay tolls. I am therefore addressing the Government of Madras in view to these contractors being exempted from paying tolls and I request that the Resident will be pleased to move the Durbar for a similar exemption in the Mysore Province.

With reference to your letter No.5129 dated 15th October 1901, I have the honour to state for the information of the Resident that the Government of Madras have in their proceedings No.1791 L.Mis. dated 23rd October 1901 remarked that they are not prepared to legislate for the exemption of mail carts from paying tolls as suggested by me. I would request however that under the circumstances explained in my previous letter, the Resident will be pleased to move the Darbar to exempt mail carts from paying tolls as is the case in Bombay, Bengal, Punjab and North West Provinces.
